

Gainful Employment Disclosures – 2019

Program Name: Industrial and Commercial Electricity, Basic Certificate

Program Length: This program is designed to be completed in 12 months.

Program Cost: If completed in the normal time, this program will cost:

- \$2449 for students paying in-district tuition
- \$4033 for students paying out-of-district tuition
- \$4033 for students paying out-of-state tuition

There may be additional costs for living expenses. These costs were accurate at the time of posting, but may have changed. Further information about paying for college can be found at <https://www.brazosport.edu/students/paying-for-college/>.

Student Debt: Of the students who completed this program within normal time, the typical graduate leaves with \$XXX of debt. Fewer than 10 students who received Title IV funds completed this program within normal time. This number has been withheld to preserve the confidentiality of the students.

Licensure Information:

Texas does not have licensure requirements for this profession.
